

THE FOURQUEAN-PRICE COMPANY.

The First Great Sale of the New Year!

To-morrow we commence our annual Clearance-Sale preparatory for inventory. It has been our custom every January to hold these special sales, and those who have attended them know what bargains we always offer. This year will be no exception. We shall offer a feast of good values that for quality and price you will not see again this year. Come to-morrow before the best are gone. Come early.

SILKS.

Our Silk sales the past season have been the largest in the history of our business. Selling so many enabled us to buy in larger quantities, and thereby obtain lower prices. For this sale we have provided some special and unusual values. Silks for street and evening wear—all in the popular weaves and colorings—at prices impossible to duplicate again—owing to the advance in raw silk.
